Sawa Provides Sales and Flexo Experience as New Regional Manager for Anderson & Vreeland Canada

Bryan, OH – The appointment of Sean Sawa as Regional Manager for Anderson & Vreeland Canada, ULC., a leading manufacturer and distributor of flexographic plate processing equipment and materials, is announced by Drew Elisius, General Manager for AV Canada.

“Sean brings a great deal of experience, creativity and energy to our team. His experience, coupled with A&V’s best-in-class flexo solutions, are a winning combination

and real benefit to our customers,” said Elisius.

Mr. Sawa will provide technical sales and service support, including introducing new, innovative solutions and technologies to AV Canada’s customers throughout Ontario and western Canada. Mr. Sawa brings to his new position 18 years of technical sales experience in the flexo, print and packaging industries. He was formerly responsible for sales of print-related consumables and equipment at Williamson Printing Materials.

Mr. Sawa graduated from George Brown Technical College in Toronto with a Printing Technology degree and received the Polychrome Award of Achievement.

About Anderson & Vreeland, Inc.

Founded in 1961, Anderson & Vreeland has earned an international reputation as a leading supplier of flexo platemaking equipment and materials to the graphic arts industry. The company offers a “systems approach” to plate processing, with state-of-the-art equipment, materials and software specifically designed for flexo. A&V supports these products with 50 years of experience and a nationwide staff of technical sales representatives thoroughly knowledgeable about the fine points of flexo. The company’s substantial flexo experience and technical support sets it apart from other prepress suppliers. This experience and support results in smoother and easier integration of technical advancements affecting flexo prepress. Further information is available on the web at www.AndersonVreeland.com.
