

## **Anderson & Vreeland Presents “Flexo Technical Tips” 4-part Webinar Series**

*Anderson & Vreeland announced the release of “Flexo Technical Tips,”; a 4-part educational webinar initiative set to begin March 31st*

bryan, OH ([PRWEB](#)) March 15, 2016 -- Anderson & Vreeland is excited to announce the release of “Flexo Technical Tips,”; a 4-part educational webinar initiative set to launch in March. Anderson & Vreeland is a leader in providing prepress solutions for flexographic printing, and is dedicated to remaining on the cutting edge of the industry. This webinar series is an opportunity to learn from the very best.

The series will begin on March 31, 2016 with topics focusing on Waterwash Platemaking Guidelines, Viewing Conditions, and Best Practices in Plate Mounting. On June 30th the subject will be Monitoring Press Conditions. Parts 3 and 4 will be held on September 29th and December 8th, respectively, with topics to be announced at a later date.

Jessica Harrell, Anderson and Vreeland’s Technologies Manager, will be the host of these webinars. Harrell states, “At Anderson & Vreeland we are committed to providing our clients not just the equipment, but also the know-how to get the best flexographic results possible.”

About Anderson & Vreeland, Inc.

Founded in 1961, Anderson & Vreeland has earned an international reputation as a leading provider of flexo prepress solutions for the graphic arts industry. The company offers a “systems” approach to conducting business by evaluating customer needs and offering the best solutions in the form of equipment, materials, training, and technology tailored for each customer. A&V supports these solutions with over 50 years of experience and a staff of technical sales representatives thoroughly knowledgeable about the fine points of flexo. The company’s substantial flexo experience and technical support sets it apart from other prepress suppliers. This experience and support results in smoother and easier integration of technical advancements affecting flexo prepress.
