

Mark Hubbard Joins Anderson & Vreeland as New Technical Sales Representative

Mark Hubbard joins Anderson & Vreeland, a leading manufacturer and distributor of flexographic plate processing equipment and materials, as Technical Sales Representative for OK, TX, AR, & LA.

Bryan, OH ([PRWEB](#)) September 05, 2016 -- The appointment of Mark Hubbard as Technical Sales Representative for Anderson & Vreeland, leading manufacturer and distributor of flexographic plate processing equipment and materials, is announced by Tony Gilski, Central Regional Sales Manager for Anderson & Vreeland Inc.

“Mark is a disciplined problem solver with a strong background in process optimization and equipment troubleshooting. His technical skills combined with his reputation for delivering outstanding customer service will greatly benefit our team and all current and future A&V customers,” said Gilski.

In his new position, Hubbard will offer technical sales and support, including introducing new, innovative solutions and technologies to A&V customers throughout Oklahoma, Texas, Arkansas, & Louisiana.

Mr. Hubbard is a technical specialist in both offset and flexographic prepress workflows and production with over 20 years of experience in the flexographic printing space in various capacities including as a Flexographic Prepress Technician, Technical Sales Representative and Printing Department Manager.

Mark Hubbard resides in Arlington, TX.

About Anderson & Vreeland, Inc.

Founded in 1961, Anderson & Vreeland has earned an international reputation as a leading provider of flexo prepress solutions for the graphic arts industry. The company offers a “systems” approach to conducting business by evaluating customer needs and offering the best solutions in the form of equipment, materials, training, and technology tailored for each customer. A&V supports these solutions with over 50 years of experience and a staff of technical sales representatives thoroughly knowledgeable about the fine points of flexo. The company’s substantial flexo experience and technical support sets it apart from other prepress suppliers. This experience and support results in smoother and easier integration of technical advancements affecting flexo prepress. Further information is available on the web at www.AndersonVreeland.com.
