

Paige Green Joins Anderson & Vreeland as Central Region Account Manager

Paige Green is joining Anderson & Vreeland as account manager in the central region bringing with her several years' sales and marketing experience in consumer-facing food and beverage products.

BRYAN, Ohio ([PRWEB](#)) August 02, 2018 -- Paige Green is joining Anderson & Vreeland as account manager in the central region bringing with her several years' sales and marketing experience in consumer-facing food and beverage products.

Ms. Green's experience is a strong fit because much of flexographic and package printing done by Anderson & Vreeland customers reaches end-customers at the retail level, where purchase decisions are often made on the spot. Ms. Green's understanding of the food and beverage marketplace provides a key advantage as she helps Anderson & Vreeland customers provide exceptional packaging for the brands they service.

"Paige has set the table for success with her energy, skill set and personality," said Tony Gilski, Anderson & Vreeland Central Region Manager. "Her enthusiasm for using her knowledge and talents will be an asset to our customers and we are thrilled to be working with a person of Paige's talents and passion!"

Ms. Green will be based in Dallas, Texas and working with Anderson & Vreeland customers throughout the central United States. "I'm looking forward to working with the entire team at Anderson & Vreeland," said Ms. Green. "It is a wonderful opportunity to build on my sales and marketing experience in an exciting and dynamic industry."

About Anderson & Vreeland

Anderson & Vreeland provides flexographic printers with innovative solutions that are tailored to their specific application. We do this by identifying the most effective & advanced technologies in our portfolio, educating our customers on how these products will improve their bottom line, and seamlessly integrate these solutions into our clients business. We are a privately-held company with over 50 years experience providing unrivaled customer service to the flexographic printing industry.
