

Andy Gillis appointed Vice President of Sales & General Manager for Anderson & Vreeland Inc.

Andy Gillis further expands his role at Anderson & Vreeland Inc., a leading manufacturer and distributor of digital & flexographic printing solutions as the new Vice President of Sales & General Manager.

FAIRFIELD, N.J. ([PRWEB](#)) May 11, 2020 -- The appointment of Andy Gillis as Vice President of Sales & General Manager for Anderson & Vreeland Inc., leading manufacturer of flexographic print technologies, equipment and consumables, is announced by Darin Lyon, President & CEO of Anderson & Vreeland Inc.

Andy is joining the Sales Team of Anderson & Vreeland after being a part of the team at Provident as the General Manager.

“During Andy’s time at Provident, it became evident he possessed the ability to build teams, both internally and externally, by leading with compassion, empathy and the genuine care of others. He’s an inclusive leader with a strong vision and desire to compete,” said Darin Lyon. “Andy’s vast experience and relationships across the North America Flexographic printing space will serve him well in this expanded leadership role,” he added.

Prior to being General Manager for Provident, Andy was Senior Sales Engineer in the Printing, Coating and Laminating Group at PCMC, for Narrow web and Wide Web CI presses serving the tag, label and flexible packaging markets.

“I’m excited to expand my responsibilities with A&V and join an already successful team in place,” said Andy Gillis. “Our human capital, world-class portfolio and a never-ending appetite to serve the Flexographic printing industry, has us in a strong position for our customers now and in the future. I’m humbly indebted to this great industry for the experiences I’ve had the last 20+ years and eager to continue serving our valued clients,” he added.

About Anderson & Vreeland, Inc.

Anderson & Vreeland provides flexographic printers with innovative solutions that are tailored to their specific application. We do this by identifying the most effective & advanced technologies in our portfolio, educating our customers on how these products will improve their bottom line, and seamlessly integrate these solutions into our clients business. We are a privately-held company with over 50 years experience providing unrivaled customer service to the flexographic printing industry.
