

Paul Teachout Joins Anderson & Vreeland as Business Development Manager – Narrow Web

Paul Teachout joins Anderson & Vreeland, leading manufacturer and distributor of flexographic print technologies, equipment and consumables, as Business Development Manager – Narrow Web.

FAIRFIELD, N.J. ([PRWEB](#)) July 06, 2020 -- The appointment of Paul Teachout as Business Development Manager – Narrow Web for Anderson & Vreeland, leading manufacturer of flexographic print technologies, equipment and consumables, is announced by Andy Gillis, Vice President of Sales & General Manager for Anderson & Vreeland Inc.

“Paul’s experience and service to our industry speaks for itself and we are very excited to be able to add him to our already very strong and talented team. A&V continues to add people of technical and business-savvy to help our clients improve their business performance,” said Gillis.

Paul Teachout will lead Anderson & Vreeland’s efforts in the Narrow-Web space and with the application of our world-class portfolio.

“I’m excited to continue my career journey remaining in the market where I’ve had tremendous success and still have long-standing relationships”, said Paul Teachout.

Paul’s latest position was as Vice President of Sales and Marketing North America for Nilpeter. He has 39 years of experience in the printing and packaging industry and extensive industry recognition and accomplishments, such as being a current board member of the FTA and FTA Board of Trustees, part of the Sonoco Institute Advisory Board and TLMI Awards Committee Chairperson.

About Anderson & Vreeland, Inc.

Anderson & Vreeland provides flexographic printers with innovative solutions that are tailored to their specific application. We do this by identifying the most effective & advanced technologies in our portfolio, educating our customers on how these products will improve their bottom line, and seamlessly integrate these solutions into our clients business. We are a privately-held company with over 50 years experience providing unrivaled customer service to the flexographic printing industry.
