

Dave Miller appointed Vice President of Operations for Anderson & Vreeland Inc.

Dave Miller further expands his role at Anderson & Vreeland Inc., a leading manufacturer and distributor of digital & flexographic printing solutions as the new Vice President of Operations.

FAIRFIELD, N.J. ([PRWEB](#)) September 02, 2020 -- The appointment of Dave Miller as Vice President of Operations for Anderson & Vreeland Inc., industry-leading manufacturer, and distributor of flexographic printing technology and supplies, is announced by Darin Lyon, President & CEO of Anderson & Vreeland Inc.

Formerly Director of Digital Business Solutions for Anderson & Vreeland Inc. and Managing Director for Nova Polymers (a subsidiary that focuses on Accessible Signage), Mr. Miller has held various leadership roles at the company since 2005. In this expanded role, Mr. Miller will hold the title of Vice President Operations.

With this appointment, Dave will continue his leadership of Nova Polymers and Anderson & Vreeland's Digital Solutions portfolio, while expanding his leadership role to focus on Operational initiatives such as Procurement, Distribution, Logistics, Facilities Management and Information Services (ERP and CRM). The focus on these areas of the business will further build on the foundation which has positioned Anderson & Vreeland Inc. as the market leader in the Flexographic printing and packaging industry.

"Dave has made significant contributions throughout our organization and led several strategic initiatives over the past 15 years," says President & CEO Darin Lyon. "We look forward to the positive impact of Dave utilizing his proven, process driven approach, to drive business efficiencies and help our Organization achieve the highest level of Operational Excellence," he added.

"I am honored, grateful, and humbled to have been appointed to this new position within our Organization" said Dave Miller. "We employ an amazing group of talented people. I'm excited to bring our core operational functions together as one team, which will help us realize unprecedented success as it relates to operational performance and, ultimately, world-class customer experiences. We will achieve our goals by encouraging creativity and innovation while developing a culture where people (customers, partners and employees) are valued, empowered, and 'heard'."

About Anderson & Vreeland, Inc.

Anderson & Vreeland provides flexographic printers with innovative solutions that are tailored to their specific application. We do this by identifying the most effective & advanced technologies in our portfolio, educating our customers on how these products will improve their bottom line, and seamlessly integrate these solutions into our clients business. We are a privately-held company with over 50 years experience providing unrivaled customer service to the flexographic printing industry.
